

Accelerate and Graduate with **CLEP** and Modern States

Consider CLEP

CLEP® exams are computer-based tests that cover content similar to what's taught in introductory college courses. With CLEP, students can:

- Test out of classes.
- Earn 3+ college credits.
- Graduate on time or sooner.

Take FREE Online Courses

Modern States Education Alliance, a nonprofit organization dedicated to making college affordable and attainable, offers free online courses in all CLEP subjects. Taught by college professors, the self-paced courses align to CLEP exams and feature lectures, quizzes, and free textbooks.

Earn College Credit

To get credit, students must take a CLEP exam and earn a qualifying score. Colleges and universities set their own CLEP credit policies, so students should contact colleges or visit clep.collegeboard.org to see what credit they can earn.

Students should:

1. Sign up for a CLEP course at modernstates.org.
2. Complete coursework and practice questions.
3. Register for a CLEP exam at clep.collegeboard.org.
4. Contact a test center to schedule an exam.

TAKE A CLEP EXAM FOR FREE

After completing a Modern States course, students can also receive a voucher code from Modern States that can be used to pay the CLEP exam fee.* In addition, if students take their exam at a test center that charges a test administration fee, Modern States will reimburse the student for the fee.
